Dear Michael.

On behalf of the AHA! Night Steering Committee and our downtown partner venues, we would like to deeply thank you for all you did to make the April 13<sup>th</sup> AHA! Night a wild success. The community support shown by Fun 107 and WBSM truly helped this first "Super AHA!" experience a tremendous boost in attendance. Furthermore, the excitement of being on the radio was a special experience for the young artists who recorded announcements and those who talked with you on site during the pizza party.

We look forward to working closely with your group during the upcoming year. I have already had discussions with Tim Levesque regarding special collaborations with Fun107 on nights such as the August "Kids Rule". We will also be pursuing an ongoing WB\$M partnership with AHA!

My only regret is that my filming of the AHA! cable access show kept me from being at the pizza party and meeting you and your staff in person. Please thank everyone involved and know that your participation did make a significant difference.

The silent auction is a very important facet of the Clambake, this year raising over \$11,000 – the most ever! We owe this success to community minded individuals like you who realize the value and importance of supporting local charities.

Last year, one in four area residents received assistance from a United Way supported agency. This incredible level of community support would not be possible without help from local residents and businesses.

Again, thank you for your generosity and support. Have a wonderful summer!

Mr. William Fine Executive V.P. & General Manager WCVB-TV, Channel 5 Boston 5 TV Place Needham, MA 02494

Dear Mr. Fine,

My name is Tachauna Cardwell, and I go to Cathedral Grammar School in Boston. On behalf of all the kids in my school, I would like to thank you for your generous donation to the Catholic Schools Foundation to help kids like me with tuition. It means so much to us that we have people who are willing to give us money toward our education here at Cathedral.

I'd like to tell you a little bit about myself. I am 13 years old, and I live in Dorchester, MA with my grandmother and stepfather. If you're wondering why I live with my stepfather and no mother, it's because my mother is very sick and will die soon within 6 months to a year. She's in a hospice since her muscles won't work any more.

What I do for fun: I love to dance, write, shop and hang out with my friends at the mall and at each other's houses. I'm getting a good education because when I grow up, I'm going to be a top lawyer. I want to be a lawyer because I'm very argumentative, and I love to make my point and debate with others!

I would like to talk to you about my school and myself. My favorite subject in school is math even though I don't like the math teacher. (But I still cooperate with her!) I like math because it stays the same and doesn't change once you learn it. My favorite teacher is my first grade teacher, Mrs. Costa, and my favorite teacher now is Mr. Mihal who is my homeroom 8<sup>th</sup> grade teacher who also teaches social studies and science. I really like school so much that I don't want to stay home during school vacations! During recess I help out with the kindergarten kids.

Once again I want to thank you for your donation which is such a blessing for us. May God bless you.

Yours truly,

Tachauna Cardwell, Grade 8

Dear Mr. Fine,

On behalf of The Barry L. Price Rehabilitation Center, I can not begin to thank you enough on how much you, Karen Holmes Ward and Channel 5 have touched our lives for the better. There are no simple words to express our level of gratitude, for the leadership and kindness that you and Karen have bestowed upon us. You and the individuals at Channel 5 who have helped with The Extreme-Make Over: My Home Town and the making of the PSA are truly wonderful. We are grateful for your generosity and for your involvement. Everyone is always very impressed and made to feel important when they are with you.

As you know, The Price Center is a non-profit organization providing support services to individuals with developmental disabilities. People are provided opportunities to participate in community-based work, as well as treatment and living environments aimed to foster self-confidence and to maximize physical, emotional and intellectual capability. We support people by encouraging personal growth and participation in the community through social living and work experiences that respect individual preference and diversity.

Thank you again Bill, for all of your support and leadership. You'll always have a favorite fan base at The Price Center.

Bill Fine President and General Manager WCVB-TV 5 TV Place Needham, Massachusetts 02494

Dear Mr. Fine,

It was my pleasure, as CEO of the National Kidney Foundation of MA, RI, NH and VT, to experience first hand Channel 5's commitment to the community it serves.

I thought I would take a moment to recognize several members of your staff who have consistently contributed to our success well beyond their professional capacities as our business partners:

We first met Jim Knipper when he introduced us to the world of possibilities available on thebostonchannel.com. We now have a presence not only as paid advertisers, but as part of Commonwealth 5 and as enthusiastic participants in Bidding for Good. Jim guided us through our online "indoctrination" steadfastly, and for his unwavering support, we recognized him and Channel 5 as our 2007 Media Partner at an awards ceremony in January. Still as committed as ever, Jim and his family volunteered at our recent Boston Kidney Walk.

Karen Holmes Ward is no stranger to those of us working in the not-for-profit sector in greater Boston. I was happy to become reacquainted with her through my work with Jim and the NKF. Karen graciously accepted our invitation to act as Emcee of our Boston Walk this year at the Franklin Park Zoo. She supported our efforts by giving much needed priority to our PSA in the weeks leading up to our event, helping us to reach more people and to break last year's tally for both Walkers and Donations.

Finally, Tammi Johnson, a local sales coordinator at Channel 5 and a live kidney donor herself, joined us at the Walk as well, working tirelessly for several hours helping Walkers to register and get started.

Our work is not easy, and we strive every day to engage the hearts and minds of our friends and neighbors in the service of education and research to cure kidney disease. To be effective, we know we can't do it alone. We are very grateful to people like Jim, Karen and Tammi. I know you know how fortunate you are to have such compassionate, committed folks on your staff. So we wanted to say, thank you!

Best.

Dear Susan,

Thanks. It was great to hear my email read at the end of last nights "Chronicle"!!! I almost fell off my chair. I never thought anyone really read those. It is nice to watch a network that cares about audience feedback.

Perhaps some high chairs with low backs would look fanstastic behind the new desk for Mary and Anthony.

Since my husband suffered a major stroke (at the age of 55) the only vacations we take these days are through the eyes of Mary and Anthony. They have also taken us to some fantastic restaurants...yummy!! Please let them know that we have enjoyed every minute of it. No more channel surfing for me. Even if Mary and Anthony continue to stand (hopefully not) I will live with it. Hearing my email read yesterday has made me a loyal fan again. Keep up the excellent work...Deborah Lambert

35 Years - Happy Birthday Special

#### MESSAGE:

Dear Bill Fine and Chronicle and ALL WCVB Staff: I thoroughly enjoyed the recent 35 Year Celebration and the wonderful "Look Back", History, Film Footage and the individual interviews with some of the staff members.

I was looking forward to it for weeks and then so happy to watch it again when it aired after the initial evening on Chronicle.

Growing up in this area, I remeber all 35 years and it was great to revisit the many years of excellent reporting and exceptional professionalism that WCVB represents.

It truly is like "Family" and I am so glad you shared the memories with us

Thank you and looking forward to many more Family visits with MY Station of Choice!

Sincerely, Maura Sherry
